CAPT. HESS AND WIFE HURT IN AUTO ACCIDENT

Capt. and Mrs. Ronald Hess, Cashtown, suffered slight injuries when their car went over a 40-foot embankment near St. Francis, Kansas, last Thursday, according to word received by Captain Hess' mother, Mrs. Lloyd Hess, 132 Carlisle street.

The county officer, his wife and three children, two boys and a girl, aged six, four and two, were enroute from Gettysburg to Denver, Colo., where Capt. Hess is stationed.

Mrs. Hess was driving the car, to which a trailer was attached, when a sudden gust of wind threw the car out of control. It went through a guard rail and down the embankment. The trailer caught in the guard rails, holding the car a moment before it broke loose for the 40-foot drop. Mrs. Hess had a laceration of the face, and Captain Hess suffered a bruised shoulder. The children were unhurt.

Car, Trailer Demolished
Captain Hess, who served with the air force for four years during World War II as a B-17 pilot with 35 missions overseas, was recalled by the air force about two weeks (Continued on Page 8)

BRONZE TABLET WILL BE PLACED AT COURT HOUSE

The Ten Commandments will be placed on the front of the Adams county court house in June.

A tablet in bronze, containing the Ten Commandments, and shaped in the form of the two stone tablets that Moses brought to the Israelites bearing the commandments, will be placed on the court house by the Adams County Council of Christian Education.

Dedication of the plates will take place at 5 p.m. on June 17 in connection with the annual convention of the county council here.

J. Frank Dougherty, chairman of the convention committee, said that Judge W. C. Sheely has consented to be the speaker at the dedication unless court duties prevent.

Sunday Schools Contributed
Dougherty pointed out that the tablets are being placed as symbolic of the fact that present law is based upon the original Ten Commandments handed down by God to Moses.

T. J. Winebrenner heads the committee from the county council making arrangements for the purchase of the tablets. Money was donated for the marker by the county's Sunday schools a number of years ago. Originally the tablets were planned for placing prior to World War II. Dougherty said, but the shortage of metal at that time prevented the casting of the bronze marker.

New Oldsmobiles Are Shown Today

The 1951 series of Oldsmobiles was introduced to customers today at the Glenn L. Bream garage, 100 Buford avenue.

Oldsmobile offers a restyled series with improvements in exterior appearance and body suspension and important advances in the application of high compression engine design principles, according to Mr. Bream.

Four body styles are offered in both series "88" and series "98," powered by the 135-horsepower "rocket" engine, in which the compression ratio has been raised and combustion chamber re-designed to obtain advantages that are not wholly dependent upon the higher octane fuels.

A new carburetor, distributor, air cleaner, muffler and waterproof sleeves on the spark plugs have been added. Leaf-type instead of coil springs are used on the rear of the car. Hydramatic drive has been improved. The Oldsmobiles offer a wide choice of colors and upholstery. Floor coverings are of rubber compound with crinkled surface simulating a woven carpet. The new floor coverings are moisture-proof and can be washed with soap and water.

TO DANCE AT DELONE

The class of '52 of Delone Catholic high school, McSherrystown, will stage the 11th annual Junior Prom, "King Winter's Ball," on Thursday night from 8:30 to 11:30 o'clock, in the Delone auditorium. Walt Shelton and his orchestra will provide the entertainment. Dress will be semi-formal and admission is \$2 per couple.

Pair Arrested For Disorderly Conduct

Two youths, said by borough police to be Gettysburg college students, no home addresses given, were arrested at 8:30 o'clock Tuesday night on disorderly conduct charges and are in the Adams county jail today awaiting hearings before Justice of the Peace John H. Baschore.

Police gave their names as Granville Lewis and Henry Coles. They were arrested on complaint of Mrs. Edna Zane, Breidenbaugh apartments, 227 Carlisle street. Authorities said the pair had gone to the Breidenbaugh apartments to see two young women who reside there, and broke furniture and vases in a hallway.

EXCHANGE CLUB WILL ELECT ON FEBRUARY 13

George Haenn was appointed chairman of the nominating committee at Tuesday night's regular weekly dinner meeting of the Exchange club, held at Lincoln Logs. The annual election of officers will take place February 13.

Other members of the committee are John Wible, Stanley Keefe, Francis Groft and Millard Doyle. A president, vice president, secretary, treasurer and three members of the board of control are to be elected. Three other members of the board hold over until next fall.

The nominating committee and two other committees were appointed by President Glenn Guise, who presided at the business session which followed the dinner.

Plan Charter Night
The annual charter night and ladies' night dinner will be held in March, marking the first anniversary of the club. Appointed to arrange for the dinner were John Codori, chairman, Joseph Rosensteel and Forrest Craver. The committee named to arrange for the program and entertainment was Nelson Groft, chairman, H. Earl Pitzer and Herbert Oyster.

Following the business meeting two movies were shown, one a musical "short" and the other depicting in color the research work done in improving the quality of gasoline and lubricants by the Texas company at its Beacon, N. Y., and Port Arthur, Tex., research and experimental laboratories.

The group voted to contribute \$10 to the "March of Dimes" campaign of the county Infantile Paralysis society. The next meeting will be held Tuesday night, February 6, at Banker's restaurant.

COUNTY COURT NEARS END OF CURRENT TERM

The Adams county court today was hopeful of winding up its January trials by Thursday.

At 1 o'clock this afternoon Judge W. C. Sheely began his charge to the jury in the trial of three cases resulting from an accident between cars of the Rev. Dr. Joseph V. Smarsh, Berwick, and George W. Howe, York Springs R. D.

Immediately after that jury retired another jury began hearing testimony on a charge of drunken driving brought against John Kupcinski, Philadelphia. After that only one other case remains on the calendar.

As a result of the Smarsh-Howe accident, Howe entered an action in trespass against Father Smarsh. Mrs. Howe entered suit against both her husband and Father Smarsh and the Berwick priest brought suit against Howe.

Accident January 3
The actions were laid following an accident between the Howe and Smarsh cars January 3, 1950 on the Harrisburg road three miles south of York Springs at the Howe home. Drawn as the jury for the Kupcinski case were William J. Alwine, Gettysburg; John Biesecker, Cashtown; William Chamberlain, Orrtanna; Harry Cleaver, East Berlin R. 1; Ray Craumer, Hanover R. 1; Ira Eisenhart, East Berlin; Maurice Feiser, East Berlin; Roy S. Foulk. (Continued on Page 2)

Storm Lightens Day's Business

The snow storm today delayed County Commissioner Clark L. Petters on his trip from his Menallen township home to the court house, with the commissioner arriving at 2 minutes to 10.

But Petters and the other commissioners found that their efforts to get through the storm to the court house on time availed them little. Apparently because of the storm the usual group of visitors was not present this morning and the county legislative group had only one action to consider throughout the entire morning.

THOMAS NAMED VICE CHAIRMAN OF STATE GROUP

Edmund W. Thomas, president of the First National bank, has been named vice chairman of the 1951 Pennsylvania Week committee by I. S. Sahli, Beaver Falls, state chairman of this year's celebration. Mr. Thomas will be in charge of activities in the central area, comprising the state's northcentral, west southcentral and east southcentral regions.

Mr. Thomas has been active in Pennsylvania Week activities for

E. W. THOMAS

three years. He was Adams county chairman in 1949 and east southcentral regional chairman in 1950. Past president of the Pennsylvania Bankers' association, he is active in community affairs.

Two Other Aides
Sahli also announced the appointment of two other vice-chairmen, Harold W. Brightman, Philadelphia, who will head the eastern area of the state, and J. Regis Walthour, Greensburg, who will direct activities in the western Pennsylvania area.

Pennsylvania Week, held this year from October 15-21, will be administered, as usual, by the Pennsylvania Department of Commerce, under the supervision of Andrew J. Sordani, Wilkes-Barre, secretary of the state Department of Commerce. Commerce department officials anticipate that civilian and military defense efforts will be reflected significantly in this year's Pennsylvania Week activities.

Sahli and Thomas anticipate an announcement of Pennsylvania Week regional chairmen soon.

Men of Reformed Church Are Guests

The Men's Brotherhood of Trinity Evangelical Reformed church were guests of the Men's Brotherhood of St. Paul's church, New Oxford, Tuesday evening. The devotional services were conducted by the president, C. P. Keefe of St. Paul's Brotherhood with Dr. H. S. Fox presiding at the piano. A number of selections were rendered by a male quartette of the Good Year Lutheran church under the leadership of Dale Roth.

A travelogue in technicolor of west coast scenes was presented by Leslie Albright. Following the program the men adjourned to the recently remodeled basement of the church where games were played by teams of both brotherhoods. John B. Kendeilhart, Dr. Fox, Ray J. Kitzmiller and Robert Deardorff were on the shuffleboard team. Harry D. Little, Melvin Little, John Dotterer and John D. Eckert played draft baseball. Elmer Yoder played table tennis.

An hour of fellowship and refreshments brought the evening to a close. Earl Forrey, the new president of the Men of Trinity, led the local group. Sixty men were present. A tour was made about the recently redecorated New Oxford church.

Gardners Man Is Involved In Crash

D. J. Brubaker, of Carlisle, received severe lacerations of the forehead in an automobile accident about two miles east of Carlisle on Route 11 late Tuesday afternoon. State police said the mishap occurred as Brubaker attempted a left turn off Route 11 onto a driveway. James N. Snavely, of Gardners R. 2, operator of a car following Brubaker's, was attempting to pass Brubaker's vehicle at the time of the collision, police reported.

Snavely escaped injury. Brubaker was taken to a Carlisle doctor for treatment. Police said that the investigation will be continued. Total damages were placed at \$155.

REFRESHMENTS FOR BAND

The Blue and Gray band will hold its weekly rehearsal session at the band quarters, rear of the fire engine house, at 8 o'clock Thursday night. Officials urge all members to attend. Refreshments will be served following the practice period.

Open Interchange On Rt. 15 Tonight

The Gettysburg Pike Interchange on the Philadelphia extension of the Pennsylvania Turnpike will be opened to traffic one minute after midnight tonight, the Turnpike commission said Tuesday.

Located at the foot of Winding Hill on the pike (Route 15), the interchange will provide tourists and other motorists a direct connection from the superhighway to the Gettysburg battlefield.

Finishing touches will be put to toll booths at the interchange today, it was said. Opening of the new access point will complete the interchange on the 100-mile eastern extension of the toll road.

The Gettysburg pike interchange was added to plans after the extension had been started, and for that reason could not be opened with the turnpike inauguration.

INITIAL FRUIT SPRAY LETTER IS SIGN OF SPRING

Despite the cold weather and the January date on the calendar, the first signs of spring were beginning to appear today, with County Agent M. T. Hartman sending out the first spray letters of the 1951 season.

Beginning a long series of letters of advice on spraying that will be sent out from the office between now and next fall, peach and apple spray information letters No. 1 call for dormant sprays to control San Jose and terrapin scales, and red mite eggs and to prevent leaf curl and help reduce brown rot in peaches. The spray for apples is designed to kill eggs of aphids, cankerworms, tent caterpillars and fruit-tree leaf roller.

The peach letter notes that infestation of San Jose and terrapin scales and mites has increased in most peach orchards in the county, and that European fruit lecanium scale was a serious problem in a number of county orchards last year. Leaf curl is also on the increase. (Continued on Page 7)

Red Cross Leaders Will Attend Rally

A delegation of officers and leaders of the Adams county chapter of the Red Cross will go to Zemboski in Harrisburg Friday afternoon for the Pennsylvania state campaign fund rally in preparation for the annual drive for funds in March.

Governor John S. Fine and James Nicholson, executive vice president of the American Red Cross, will be among the speakers. The program will begin at 1:30 p.m. and will include discussion of the Red Cross in civilian defense, the national blood program and services to the armed forces.

BULLETINS

London, Jan. 31 (P)—Airline Capt. Charles Blair, in a Mustang fighter plane, today smashed all records for a flight from New York to London. Blair told the Shannon airport control tower by radio he was running 49 minutes behind his schedule. His flight plan had called for making the non-stop trip in seven hours, six minutes.

(By The Associated Press)
The fast-spreading strike of switchmen crippled freight traffic at vital points on the nation's rail network today. The wildest walk-out, which started yesterday in Chicago and Detroit, fanned out quickly to eight other cities. At least 21 railroads were hit directly. Many others were affected indirectly because of the tie-up of switching lines.

Washington, Jan. 31 (P)—The outline of the biggest tax increase in history—reported at about \$16,500,000,000 in two bills, one a "quickie"—was presented by President Truman personally today to Congressional tax writers.

Washington, Jan. 31 (P)—Gen. Dwight D. Eisenhower flew into Washington today to report to President Truman and Congress on his survey of Europe's will and ability to oppose Communist aggression.

Washington, Jan. 31 (P)—The Atomic Energy Commission reported "continued progress" today in the development of atomic weapons and said all its facilities are operating "at full capacity."

Washington, Jan. 31 (P)—The Communist party went to court today in an effort to knock out the Internal Security Act's requirement that the party report its membership and financing to the Justice Department. In a petition to U. S. District Court, the party contended this section of the law Congress enacted last year is unconstitutional.

JURY REPORTS 7 VERDICTS IN ACCIDENT CASE

An Adams county jury hearing the action in trespass brought by Charles W. and Florence Thompson, Edward Graff, George N. Esther and Gail Brown, all of Philadelphia, against Richard M. White, Fairfield R. 1, and John W. White, Denton, Md., and the countersuit brought by the Whites against the Thompsons, returned seven verdicts in the cases Tuesday evening.

The suits resulted from an accident at the intersection of the Fairfield-Zora road with the Iron Springs road August 21, 1948, when Mr. and Mrs. Thompson were going from Hagerstown to Philadelphia with the other Philadelphians in their car. The couple had been married in Hagerstown three hours before the accident. Richard White was driving toward Zora at the time, in a car owned by his brother, John White.

Jury Sent Back
Returning with its verdicts at 5:35 o'clock Tuesday afternoon the jury appeared to indicate that it did not wish to allow damages to anyone.

When Judge W. C. Sheely completed reading of the first verdicts handed up, he noted that as the verdicts stood it was necessary to inquire as to the jury's intention. Foreman George Zerling said it was the belief of the jury that both Mrs. Thompson and Richard White, the drivers of the two cars, had been negligent and thus were both equally responsible for the accident.

The court then explained that if such was the belief of the jury, John White would be entitled to damages to his car, since his brother was not acting as his agent in driving it, and that the passengers in the Thompson car would be (Continued on Page 2)

NAME DR. WENTZ TO EXECUTIVE COUNCIL GROUP

New York, Jan. 31 (P)—A plan to assure any Lutheran serviceman of Communion rites by any Lutheran chaplain was approved by the National Lutheran council Tuesday—but not without heated doctrinal discussion.

Officials of the council, which represents eight church branches with some 4,000,000 members, worked out the plan in conference with leaders of the Missouri synod, a group outside the council, with some 1,700,000 other Lutherans.

"Tremendous Advance"
The key provision of the "joint military service program" is that any Lutheran chaplain from a branch participating in the program will give Holy Communion to any Lutheran, regardless of what branch he belongs to.

Retired Col. Gynther Sforasli, a Lutheran chaplain for 29 years, said that in the past some Lutheran chaplains have declined to administer the Communion rites to members of other church branches than their own.

Dr. Paul C. Empe, executive director of the council, hailed the council's approval of the plan, saying it would mean a "tremendous advance in good will" between the council and the Missouri synod.

Units Must Approve
But the plan still must be formally approved by the eight branches represented in the council, and by the Missouri synod.

Elected members of the executive committee of the council, whose participating bodies comprise two-thirds of American Lutherans, included: Dr. Abel Ross Wentz, president of Gettysburg Theological seminary; Dr. Henry H. Bagger, pastor of Holy Trinity church, Lancaster, Pa., and Dr. F. Eppinger Reinartz, executive secretary of the United Lutheran church.

The council meeting opened Tuesday and ends Friday.

Young Farmers Talk About Pastures

Plans for strip cropping of legumes and grass pastures and arrangements for group purchases of fertilizer were discussed Tuesday evening at a meeting of the South Mountain chapter of the Pennsylvania Young Farmers, held at Biglerville high school.

Lorin Weigard, advisor for the group, urged the members to apply strip cropping on new or established pastures as outlined in the 1951 handbook of the Pennsylvania Agriculture Conservation program.

George Van Buskirk, chairman of the fertilizer committee, told of plans to make a group purchase of fertilizer during the coming week. The group voted to hold future meetings at the Biglerville high school at 7 p.m. on the last Tuesday of each month.

Hospital Plans 30th Anniversary

Preliminary plans for the observance of the 30th anniversary of the Warner hospital were discussed at a meeting of the public relations committee of the board of directors held Tuesday night in the Musselman annex at the hospital.

No definite date was determined upon, but the committee said the observance would take place some time in May, near the observance of National Hospital Week. The local observance will include an entire week's program.

Howard Musselman, chairman of the committee, presided. Others present were Edmund W. Thomas, Attorney Richard A. Brown, Carl Baum, president of the board and Walter R. Doud, administrator.

JUNIOR COOKS' CLASSES BEING HELD TUESDAYS

A junior cooks' class for boys and girls between 8 and 12 years of age opened Tuesday afternoon in the home service center of the Manufacturers Light and Heat company offices, 15 York street, with Miss Louise Frazier, home service director, in charge.

Twelve girls and two boys are enrolled in the classes, which will be held once a week, on Tuesday afternoons from 4 to 6 o'clock, for four weeks. At the completion of this beginners' course, certificates will be presented and the boys and girls will be eligible for an advanced course lasting four more weeks.

The junior cooks will learn how to make biscuits, pies, cakes and cookies, and at the end of the course their work will be displayed in the window of the gas company offices.

Plan Closing Parties
Red Cross nutrition classes for adults being held Mondays and Thursdays from 7:30 to 9:30 o'clock in the home service center will come to a close February 15 and 19.

Members of one class are made up largely of members of the Beta Sigma Phi sorority, while the other class is composed predominantly of college and seminary wives.

The classes are learning the fundamentals of nutrition, and putting these fundamentals into practice by preparing meals, under Miss Frazier's direction. Closing sessions of each class will feature parties, to which the husbands will be invited.

Girl Scout Council To Meet Thursday

The Adams County Girl Scout Council will hold its annual meeting at Cross Keys hotel, near New Oxford, Thursday evening. A buffet supper will be served at 7 o'clock, followed by a business meeting.

Highlights of the evening will be a talk by Mrs. Amos Myers of York Springs whose topic will be "Come Along with Us." Mrs. Myers, who came to Adams county a few months ago, has been associated with the Girl Scout organization, as a volunteer, for many years. A graduate of the University of Hawaii, she was Brownie leader of a handicapped troop at the Shriners' hospital in Hartford county, Maryland; Lone Troop consultant of Huntington county, Pa., and is now volunteer trainer of leaders and board members for which she is volunteering her services in Adams county.

Mrs. Myers' talk will be followed by square dancing under the direction of Mrs. Kenneth Reinhart of Gettysburg.

MORE QUALIFY FOR PIE BAKING CONTEST HERE

Dorothy Mae Hartzell, Biglerville R. 2, and Geraldine Witter, New Oxford R. 2, won the right to compete in the Adams county cherry pie baking contest at high school competitions held Tuesday afternoon.

Miss Hartzell, a junior at Biglerville high school, won her school title Tuesday while Miss Witter, a junior at East Berlin high won the championship of her school in a contest held there.

While Miss Witter, a daughter of Mr. and Mrs. Earl Witter, won first place at East Berlin her cousin, Miss Rachel Miller, also a junior, and daughter of Mr. and Mrs. Paul E. Miller, New Oxford R. 2, won second place in that contest. Third honors went to Miss Anna Rohrbaugh, a sophomore, daughter of Mr. and Mrs. Norman Rohrbaugh, East Berlin R. 3.

Other Results
Judges for the East Berlin contest were Mrs. John Myers, East Berlin; Mrs. Robert Fortenbaugh and Richard C. Lichter, Gettysburg. Mrs. Bernice Staley, home economics instructor at East Berlin was in charge of the contest.

Second-place winner at Biglerville was Lois Arlene Schoffstall, Gardeners R. 2, and Shirley Ann Kint, Biglerville R. 1, took third honors. All of the Biglerville winners were juniors.

Judges at Biglerville included Dr. Jean Hewetson and Mrs. Cecil Snyder of Biglerville and Mrs. Marian Shetter of Guernsey. The Biglerville contest was under direction of Mrs. Mary A. Diehl, home economics instructor at the school.

The county cherry pie baking title will be decided here next Monday.

Dreas Is Emergency Police Officer Here

Richard E. Dreas, 533 Hillcrest Place, manager of the Metropolitan Edison company here, today became the first volunteer emergency police officer commissioned in Adams county.

Mr. Dreas received his commission from Governor John S. Fine. It was countersigned this morning by Chief of Police Robert C. Harpster and the commission filed in the office of the prothonotary.

The appointment was made at the request of the Metropolitan Edison company and the commission issued under the state's national emergency act, according to Harpster, has the power to arrest anywhere in Pennsylvania, during an emergency.

CIVIL SERVICE EXAM

An examination for "indefinite" appointment as storekeeper at the Letterkenny ordnance depot, Chambersburg, was announced today by the secretary of the U. S. Civil Service board of examiners at Letterkenny. No experience is necessary, but a written aptitude test will be given. Applicants must be between 18 and 62. Further information may be obtained from F. H. Furney at the Gettysburg post office.

ELKS FEED THURSDAY

An oyster feed, for members only, will be held at the Elks home on York street Thursday evening from 6 to 9 o'clock. Oysters will be served all styles.

Tokyo, Jan. 31 (P)—Advancing Allied Forces attacked with bayonets and grenades today after thunderous artillery and air strikes failed to smash unyielding Chinese Communist resistance on the Korean warfront.

This was seven miles north-east of Suwon, on the east flank of the bloody western front just South of Seoul. Although the well dug-in enemy failed to break under bombardment, one front line officer said Wednesday's artillery fire "must have killed thousands of Chinese."

One Allied patrol was reported only seven miles south of Seoul.

On the east coast, the U. S. Battleship Missouri, other naval units and carrier planes pounded Kosang, 45 miles north of the 38th parallel. Kosang is 20 miles north of Kan-sang, blighted Tuesday in a similar attack by warships and planes of task force 77.

No Landing Attempted
Landing boats circled offshore while rocket ships speared deadly missiles on Kosang. But no landing was attempted.

In western Korea, stiffening enemy opposition held the Allies to minor gains. Allied planes sighted 15,000 to 20,000 Communist troops near Konjam, a village nine miles northeast of Kumyangjang.

A United Nations battalion was being subjected to heavy mortar and small arms fire three or four miles northeast of Kumyangjang, a Ninth Corps spokesman said. (This was the first mention of the Ninth Corps in some time.)

At noon two American companies were pinned down in fire fights four and one-half miles north of Kumyangjang. There were no further reports on the two actions.

7th Day of Offensive
Farther east a U.N. patrol ran into an unknown number of Reds three miles northwest of Sinchon Wednesday morning and routed them. Sinchon (Continued on Page 2)

HIGHWAY CREW KEPT BUSY BY TODAY'S SNOW

Adams county's highway workers were out in full force today to keep the highways clear of the rapidly falling snow.

Up to noon two graders and 16 trucks equipped with snow plows were pushing aside four inches of snow in the mountains. Three and a half inches was reported from the York Springs area and about two inches of snow was listed in the Littlestown section.

Highway Superintendent J. William Kendelhart reported the roads slippery and dangerous despite the work of the department in plowing off snow and placing chders. A number of trucks were halted at Cross Keys preferring to wait out the storm rather than attempt to cross the mountains west of here during the snowfall.

All Off State Covered
The snow was general throughout the eastern part of Pennsylvania. (Continued on Page 2)

21 Germans Saved From Gallows; Free Alfried Krupp

Frankfurt, Germany, Jan. 31 (AP)—American authorities today spared 21 German war criminals from the gallows, freed German steel magnate Alfried Krupp and restored his property rights in the multi-million-dollar I. G. Farben empire.

These saved from death included six former Nazi S. S. troopers convicted of murdering U. S. soldiers in the infamous "Malmédy massacre."

Eight of the highest executives of the Krupp industrial empire also were freed in a sweeping review of all remaining U. S.-tried war crimes cases. But U. S. High Commissioner John J. McCloy and U. S. Military Commander Gen. Thomas T. Handy confirmed seven death sentences, including four men convicted of slaughtering more than 1,000,000 Jews and gypsies and former S. S. Maj. Oswald Pohe, who headed Hitler's concentration camp system.

Under Sentence Four Years

At the same time U. S. authorities modified many other prison terms imposed by American war crimes tribunals.

The new rulings followed special consideration of all remaining war crimes cases, undertaken in the face of a growing German clamor against war crimes verdicts.

Those saved from death had been in Landsberg prison under sentence for more than four years.

"All these reviews have been designed to make sure that each defendant had the full benefit of a fair trial and of any possible legal appeals and of any grounds of clemency which could be asserted on his behalf," McCloy said.

"Decisions Are Just"

"I am satisfied that the dispositions now finally made are just to the individual and to society," he added. "I have striven to temper justice with mercy."

Gen. Handy's ruling saved from the gallows all the S. S. troopers remaining under death sentence for the "Malmédy massacre." This means that no German will be executed for one of the worst atrocities of World War II.

Several hundred captured and unarmed U. S. soldiers and Belgian civilians were shot down in cold blood by SS troops in and near Malmédy, Belgium, during the battle of the Bulge.

Death Sentences Confirmed

In addition to Pohl, whose control of the concentration camps was second only to Gestapo Chief Heinrich Himmler, the U. S. authorities confirmed the death sentences of—

Otto Ohlendorf, former S. S. general who headed the notorious "Einsatzgruppen"—execution squads which followed up the conquering German armies to wipe out "undesirables" among enemy civilian population. Victims of these squads estimated totaled at least 1,000,000. Ohlendorf admitted his men slew 90,000 Jews.

Three of Ohlendorf's followers—Paul Blobel, Erich Naumann and Werner Braune.

Two concentration camp guards, Georg Schalermaier and Hans Schmidt—who were convicted of torturing and murdering camp inmates.

Claimed Discrimination

Today's rulings do not affect the cases of seven top Nazis, including former Deputy Fuehrer Rudolf Hess, still in Berlin's Spandau prison after conviction by the International War Crimes Tribunal at Nuremberg.

Since they were convicted by the four power court, action of the four occupation powers—including the Russians—is required to change their sentences.

McCloy, in his clemency order for Krupp, asserted that the magnate's entire property was ordered confiscated and that this, the sole confiscation ordered at Nuremberg, constituted discrimination against Krupp. Krupp's vast industrial holdings have been administered by the Allies since the war.

Used Slave Labor

McCloy said that in restoring the steel baron's property rights he was "making no judgments as to the ultimate title to the former Krupp property."

The Krupp plants along with other big German iron and steel concerns are now being broken up, to be placed under separate ownership.

Krupp and his eight executives freed today had been convicted at Nuremberg of collaboration with the Hitler government in the use of slave labor and in spoliation of conquered countries.

COUPLE TO WED

A marriage license was issued at the court house today to Frederick J. Bennett, son of Mr. and Mrs. John F. Bennett, Hanover, and Mary Louise Hemler, daughter of Mr. and Mrs. Earl Hemler, McSherrystown.

chon is about eight miles northeast of Yoji.

At 5:45 p.m. (3:45 a.m., EST) the enemy launched a 200-man counter-attack seven miles northeast of Suwon that was still going on at nightfall. Air observers reported the Reds had pulled out of some positions, but a spokesman said "there was generally no withdrawal."

It was the seventh day of the Allied limited offensive, and the enemy was being hit by land, air and sea. The battlefield stretched 40 slushy miles eastward from a point north of Suwon and nine miles south of Seoul. It was strewn with approximately 3,700 dead Reds.

In addition to the "Mighty Mo," the naval task force on the east coast included the light cruiser Manchester, nine destroyers, daring rocket ships and aircraft carriers of Task Force 77. This was the force that pulverized Kansong Tuesday with a bombardment lasting nearly 24 hours, augmented by carrier-based bombers and fighters. Kosong, a communications center, was hit at dawn Wednesday.

The Missouri's 16-inch guns tore great holes in Kosong's business section, splintering buildings and wrecking bridges and roads.

Play Tickets To Be Sold At Box Office

Did Karen Andre commit a murder? That's the question that must be answered by a jury of local patrons of The Little Theater Group of Adams county at the court house Thursday and Friday nights.

Curtain time for the play, "The Night of January 16th," is 8:15 sharp. Tickets go on sale at the box office at 7:30 p.m.

Jurors for the trial that features the drama will be chosen each night from the audience. Two endings have been prepared for the play. The jury's decision each night will decide how the play will end that evening.

CUBS CANCEL

Cubmaster Harmon Furney announced at noon today that the meeting of Cub Pack 79, scheduled for tonight, has been cancelled because of the inclement weather.

RED CHINA IS BRANDED AS "AGGRESSOR"

Lake Success, Jan. 31 (AP)—The United Nations Political committee labelled Communist China an aggressor in Korea at an emotionally charged session last night, but left wide open what new steps, if any, to take against the Peiping regime.

Forty-four delegates including those of Britain, France, Canada, the Latin American states and all of America's Atlantic pact allies, shouted "yes" as their names were called.

"I thank God," said U.S. Delegate Warren R. Austin turning to embrace Britain's Sir Gladwyn Jebb. Jebb's last-minute support had swung many wavering countries into line.

Seven nations—India, Burma, Russia, Poland, Czechoslovakia, White Russia and the Soviet Ukraine—voted "no." Afghanistan, Egypt, Indonesia, Pakistan, Sweden, Syria, Yeman and Yugoslavia abstained, Saudi Arabia did not take part in the vote.

Before the American triumph—marking the end of the hardest fight the U.S. ever has waged in the U.N.—the committee trounced paragraph by paragraph an Arab-Asian call for a new peace appeal to Peiping. It never got more than 18 approving votes.

India's Sir Benegal N. Rau, who led the fight for its adoption, declared the Asian bloc had tried to halt what he termed the march to disaster and its defeat would cut off all negotiations with Red China.

Asked by reporters, as he stood apart from the general jubilation, what he thought the next step in the Far East crisis would be, Rau said: "They (the majority) will have that headache."

Wedding

Smith—Spahr

Miss Eva Venida Spahr, daughter of Faust Smith, York, and David Emanuel Smith, son of Mr. and Mrs. Ira Smith, York Springs R. D., were united in marriage last Saturday evening at 6:30 o'clock in the Lutheran parsonage at New Chester. The Rev. Samuel M. Clarke, pastor of the bride, performed the double ring ceremony. The immediate families attended.

The bride wore a blue gabardine dress with black accessories and a corsage of melon camellias and white reseededs.

Warriors Downed By Delone 41-35 For 6th Loss In Row

Delone Catholic high school swept a pair of basketball games from the Gettysburg high cagers Tuesday evening at McSherrystown, the varsity winning 41-35 while the jayvees were victorious 36-32.

In dropping their sixth straight game, the Warriors varsity trailed throughout most of the game, failing in a last period rally when the Squires were held to a single foul.

The first half was rather closely contested. Delone hopped off to an 11-9 lead in the first period. Harriel landed a pair of goals and Crist one while Harriel, McCormick and Sanders each caged free throws for the locals. Delone scored its advantage on a pair of goals each by Mumma and Brenner and charity heaves by J. Smith, Mumma and Steinberger.

A trio of field goals by Eddie Steinberger, of Gettysburg, paced the Delone attack in the second period to give the Squires a 21-17 half time lead. McCormick and Ford landed goals for Gettysburg while the Warriors, proficient foul shooters all evening, netted foul points on a pair by Harriel and singles by Skinner and Ford.

Squires Hike Lead
A 19-point third period iced the game for the Squires. Steinberger landed three goals. J. Smith and Mumma a pair each, and Brenner and Wierman each one for Delone during the stanza. McCormick netted Gettysburg's only goal of the period but he connected four out of four free tosses with Skinner and Harriel each connecting for two. Delone led 40-27 going into the final period.

The Forney-men caged four goals in the final period, three by McCormick and one by Harriel while tight defensive work blanked the Squires from the field, the lone Delone point being on a free toss by Steinberger.

McCormick looped 15 points to pace the Gettysburg attack while Steinberger landed the same number for the warriors.

Carlisle Here Friday
Playing without their ace scorer, Fisel, the Warrior reserves dropped the preliminary game 36-32. Ross Sach's outfit took a 10-6 lead in the first period but fell behind in the second quarter and trailed by a narrow margin thereafter.

On Friday the Warriors open the second half schedule of the South Penn League by entertaining Carlisle high here.

CARNEGIE TECH QUINT TO MEET BULLETS HERE

Two teams with identical won and lost records for the season will clash on the G-tysburg college floor Thursday evening when the Bullets entertain Carnegie Tech. The game will start at 8 o'clock. No preliminary tilt will be played.

The Bullets and Tartans have each played 10 games and each has won five while losing five.

Carnegie Tech is making a two-game trip this week to mid-Pennsylvania, playing Dickinson college at Carlisle Friday night.

Among the standout victories by the Tartans is a 66-42 decision over the University of Pittsburgh. The Panthers nipped the Bullets 65-50 here on December 9.

Other victories for the Tech team were gained as follows: Steubenville, 72-37; Bethany, 61-38; Slippery Rock, 62-51; Allegheny, 52-50.

The defeats were sustained as follows: Lawrence Tech, 56-69; Wayneburg, 55-56; Westminster, 62-73; Geneva, 61-81; and Washington and Jefferson, 52-54.

Three Seniors

Three seniors are slated to start against the Bullets Thursday. They include Robert McCullough, 6-1, forward; Conrad Hammann, 6-3, center; and Len Bianchi, 6-1, guard.

Other starters will be Tom Beck, 6-2, forward, a sophomore. Among the first line of reserves are two six-foot four-inch lads, Bill Farbacher and Hilray Holste, both forwards.

"Hen" Bream's Bullets gave one of their best performances in defeating Lebanon Valley last Saturday night and will have to repeat if they hope to upset their western state opponents.

Following Thursday's tilt the Bullets journey to Allentown to meet Muhlenberg Saturday night.

Today the undefeated college freshmen meet the Navy Plebes at Annapolis. Coach Yovinc's yearlings have won four in a row and expect to receive one of their most severe tests today.

East Berlin high's cagers maintained their top position in the Adams County league by smothering winless Littlestown 76-23 on the Littlestown floor Tuesday evening.

After rolling up 31 points in the first period, the league-leaders had little trouble. Groups swished 23 points to set the scoring pace for the winners while Kerns landed seven for the Thunderbolts.

York Springs' title hopes received a rude jolt when Boiling Springs eked out a 33-32 verdict at Boiling Springs. The Bubbler's gained their margin through converting 13 of 17 fouls, York Springs netting but eight of 25. Mac Wilson's two conversions with 15 seconds remaining gave Boiling Springs the decision.

New Oxford led the whole way in defeating Newville 49-31 on the winner's court. Gerald Mummert rammed 22 points through the hoops to land the scoring honors for the evening.

LIVABLE YOU

The very great trouble with so
many people is that they have never
learned how to live with themselves.
I recently read an article about the
late F. Scott Fitzgerald—a genius
who set fire to his own house (him-
self). And when he had lost about
all that a man could have to give
him hope or comfort, he was no
friend ever to himself, and so in full
loneliness wrote a letter of encour-
agement to himself.If we can't make friends with our-
selves, and remain a livable you,
things are indeed bad. No friend on
earth can be quite so valuable to
any of us as the friend that we can
be to our own self. There must have
been something of this isolation in
that good Roman Emperor, Marcus
Aurelius, for he wrote down
thoughts to himself, with no idea of
their ever reaching other eyes. For-
tunately, however, they did, and we
have one of the rare treasures of
literature and life in these casual
notations, written over a long busy
life.Your very best friend is yourself!
There is not a moment in which you
are not in your own presence. You
should know yourself better
better than anyone else on earth.
If you can appreciate your own
companionship, you are indeed
fortunate, and you are assured of
both a successful and happy life.I like to take a book that is very
much worth while and live in it.
Then I like to retire unto myself
and live alone with any thoughts
and interests. And this isn't self-
ishness. It's growth in one's own
companionship. You can ensure,
criticize, and appraise yourself as
no other person can, and come out
of the experience, greater, kinder,
and more intelligent than if a
thousand others had attempted the
job!No matter how long you may live,
if you haven't learned the secret of
making yourself a livable you, you
can have no hope that there will
ever come to you one who can ade-
quately furnish you a substitute.
God has created within us all the
substances. It is our task to make
good use of that substance. And who
would admit that he can't?Tomorrow Mr. Adams will talk on
the subject: "Exercise Those Resolu-
tions."Projected, 1951, by The George
Matthew Adams Service

CHRISTMAS CARDS
I've kept them nearby. Now, the
womenfolk say:
"It surely is time they were
bundled away.
We can't do the dusting; we can't
use a broom
With the litter of Christmas cards
still in the room.
It's been weeks since the tree
and the holly went out,
But you still keep those holiday
greetings about."I understand women. But plain
as can be
Is the fact that they don't, and
won't, understand me.
That for order and neatness and
polish they care
Above everything else, I am
fully aware.
But friendship are treasures you
can't overrate.
So I say to the women: "The
dusting can wait.""I want to go over these cards,
one and all.
They are laden with memories
good to recall.
They are symbols of friendships
and joys I have known.
I want them nearby. So you
leave them alone!
I like to behold them still lying
about.
I don't want you womenfolk
sweeping them out."

tals of sulfates of metals are
dropped into a dilute solution, they

much like plants.Truck Drivers Will Be
"Guinea Pigs" In SurveyThe Pennsylvania turnpike will be
used to determine whether the
monotony of modern highways puts
drivers to sleep, the American Auto-
mobile association reports.Burton W. Marsh, director of the
AAA's traffic engineering and safety
department, reported the psycho-
logical study of the turnpike will be
carried out under supervision of the
turnpike safety committee.Fleet truck drivers will serve as
the "guinea pigs," the AAA said.Hypnotic Influences
Marsh said it has long been sus-
pected that some modern types of
highway, which do not provide suf-
ficient breaks in driving monotony,
may exert a hypnotic influence on
motorists."There appear to be extraordinary
numbers of accidents caused by driv-
ers 'dozing' or falling asleep at the
wheel on some stretches of modern
highways," Marsh said, "leading to
the possibility that factors other
than fatigue are involved."The fixation of attention and the
sound of the motor going at a steady
pace, and of the tires whirring on
the pavement, are akin to methods
used by psychologists in inducing
hypnosis, Marsh commented.

Death Toll Highest

Fifty-nine men, women and chil-
dren were killed in automobile col-
lisions on the turnpike in 1950, and
624 injured in the 949 reported ac-
cidents, the highest record since the
turnpike was opened in October, 1940.Insurance adjusters who studied
accident causes and costs for all
turnpike accidents last year esti-
mated property damage alone, ex-
clusive of personal liability claims,
at \$1,235,572, or an average of \$1,302
per accident.54 Taken From Wreckage
In 42 fatal accidents in which the
59 met death, 54 persons lived after
being removed from the wreckage of
passenger cars and trucks, which
were reduced to twisted junk in the
collisions.Property damage in these fatal ac-
cidents is estimated at \$144,980, or,
in more understandable terms, at
\$3,450 a vehicle in each of the 42
fatal smashups.The year before — 1949 — 39 lost
their lives, 456 were injured in 609
reported collisions on the turnpike
and property damage was assessed
at \$816,535 for all accidents, an av-
erage of \$1,340 each.

245 Persons Killed

Since the turnpike was opened, the
fatal and injury accident rate seem-
ingly matches the 70-mile-an-hour
speed limit.A staggering total of 245 persons,
including complete families, have
been killed on the highway, 3,087
disabled and crippled in 4,471 re-
ported accidents.Property damage from October
1940 to December 31, 1950, exclusiveOffer Commissions
To Girl GraduatesThe United States Army, critically
short of female officers for its WAC
expansion program, has extended its
deadline on applications for direct
commissions to April 2 of this year.
This opportunity to become a regular
army officer is open to all qualified
female college graduates between the
ages of 21 and 27, as well as to those
who expect to graduate this June.When accepted, the applicant at-
tends a training course in the pay
grade of 2nd lieutenant in the Or-
ganized Reserve Corps. Upon suc-
cessful completion, the graduate will
be given a Regular Army commission
and be assigned to regular duty with
an Army unit.Full particulars can be obtained
at the U. S. Army and U. S. Air
Force Recruiting station, located at
the post offices in Hanover and Get-
tysburg.Execution Week
Is Set For GibbsHarrisburg, Jan. 31 (AP)—Governor
John S. Fine Monday fixed the week
of April 23 for the execution of Ed-
ward L. Gibbs, 26, of Pittman, N. J.,
Franklin and Marshall college
senior.Gibbs was convicted of first de-
gree murder in the slaying of
Marian Louise Baker, 21, Franklin
and Marshall secretary at Lancaster
on January 10, 1950.The conviction and death sen-
tence was upheld by the state Su-
preme Court. Gibbs' attorney, W.
Hensel Brown, Lancaster, filed a
petition with the state Pardon Board
last week for commutation of the
sentence to life imprisonment. The
case was docketed tentatively for
hearing on February 20.of personal liability claims, is esti-
mated at \$4,519,167.There were 338 accidents in which
property damage and injury (per-
sonal liability) were involved, which
caused 570 persons to be hospital-
ized. Property damage accidents only
totalled 569.

Truck Damage High

Four of the most costly accidents
on the world's safest highway last
year involved trucks, which piled
up wreckage and caused property
damage from \$10,000 to \$21,000, or
an average of \$13,575 an accident.Least damage done to a vehicle in
collision was caused by a passenger
car that struck and killed a pedes-
trian (persons afoot are forbidden
to walk on or cross the turnpike)
and broke the grille, which cost \$5
to repair.Most hazardous stretch on the
toll highway is between Somerset
interchange, 43 miles east of the
Irwin terminus, and Bedford, 36
miles east of Somerset.

42 Fatal Accidents

Of the 42 fatal collisions on the
entire system last year, 21 occurred
between these two points.More fatal accidents occurred on
the eastbound lane — 22 — than on
the westbound — 20 — and more
were killed on the eastbound lane —
35 — than on the opposite lane —
24.Reviewing causes and weather
conditions, insurance investigators
blamed high speed by inexperienced
drivers on a road that has no in-
tersections, crosswalks or traffic
lights as the primary factor.

For Jet FightersPittsburgh, Jan. 31 (AP)—An elec-

fighter planes with split-second ac-
curacy in combat maneuvers has
been developed by Westinghouse
Electric corporation.The company said Monday the
midget device is the first automatic
pilot with "unlimited maneuver-
ability." It will be installed in F94C
jet fighter planes now being built
for the U.S. Air Force.Dr. Clinton R. Hanna, associate
director of Westinghouse Research
Laboratories, reported: "With the
autopilot at the controls, the plane
will be able to take the steepest
dives, turns, rolls and loops with
ease."Secret of the autopilot's complete
maneuverability is the use of three
non-tumbling gyroscopes locked to
the plane which stay on the job
"no matter what evasive tactics the
plane employs," Dr. Hanna said.Ike Williams Is

VAST SWARMS OF LOCUSTS RAVAGE PUNJAB

By DEWITT MACKENZIE

(AP Foreign Affairs Analyst)
An India already suffering from a grain shortage is threatened by a fresh and very terrible danger in the form of a vast swarm of locusts ten miles long, bent on ravaging the vital wheat fields of the Punjab.

Should this plague destroy the Punjab wheat, it would mean tragedy for millions of hungry people; probably death for many.

Indian agricultural agents were immediately alerted for the battle with the locusts, but once the plague has started it is almost impossible to halt it.

This raid into India is nothing new. Such invasions of locusts are frequent and they follow the same course. They start from breeding grounds in Africa and sweep across the Middle East into India and Pakistan.

These, and numerous other countries, have been afflicted since Biblical times, at least, and presumably long before that.

Last December the dread plague of locusts darkened the skies over vast areas of Africa and southwest Asia, not only threatening famine by devouring food crops, but eating cotton and other essentials. The menace of these raids is shown by the huge area covered in this December foray.

The countries afflicted included Egypt, the Anglo-Egyptian Sudan, Libya, Ethiopia, Somalia, Kenya, Tanganyika, French Equatorial Africa, Algeria, Saudi Arabia, Syria, Lebanon, Iran, Pakistan and India.

However, we don't need to go to Africa and Asia to find these winged marauders, for the western hemisphere also has its troubles. Locusts are being fought in various parts of the United States and in numerous places in Central and South America.

The main attack is centered on the breeding grounds of the locusts rather than after they take wing. Once they start flying it is difficult to deal with them.

News Of Interest To Home Builders---

Rooms six
Bedrooms two
Closets eight
Cubage 19,200 ft. (half cellar)
24,800 ft. (full cellar)
Dimensions 52' x 26'

Budget-minded builders will cheer for "The Elkhart" because it can be built with a half cellar excavation, if desired. With a half cellar excavation, the cubage of the house is 19,200; with a full excavation the cubage is 24,800 feet.

The front door opens into a good-sized entry hall that contains a large coat closet at the further end. At the left, an open arch leads to the large living room, which is a meeting spot for the passageways leading to the rest of the rooms in this long house.

Living Room Has Fireplace
Measuring 21 feet by 13 feet 4 inches, the living room boasts a large fireplace in its right inside wall. The beautiful picture window in the front outside wall adds to the beauty of the room and, if the house is properly located, will provide you with a splendid view of the surrounding countryside.

In spite of the fact that the living room does serve as a meeting ground for the hallways from the various rooms, it still has a long section of unbroken wall space—a feature most important for attractive furniture arrangement.

Just beyond the fireplace, on the right, is a central hallway that connects with all the rooms in the right wing of the house. To the right, off the hallway and back to the fireplace, is a large storage area that would make a perfect place to keep an assortment of items not frequently used.

Just opposite this storage area is the den, which could be used as a bedroom, if a third sleeping room is required. Measuring 10 feet 6 inches by 7 feet, the den is very attractively situated for one window, in the side wall, looks out on the paved terrace, while the other window, in the back wall, faces the

The bathroom itself is completely modern and contains both a tub and a shower. It has one small window that faces out on the back yard.

At the end of this central hallway is the back bedroom which is 11 feet 6 inches by 11 feet in dimensions. Two windows, one in the back wall and one in the side wall, provide plenty of light and good cross ventilation. This room also has a large clothes closet, which again is one of three closets making up a central storage area.

The front bedroom is located to the right off the hall and also has windows on adjoining walls. However, this bedroom is larger than the other one and measures 14 feet 6 inches by 11 feet. The closet, located in the center of the general closet area, opens in this room. The third closet opens in the hall.

The left wing of the house contains the kitchen, the breakfast nook and the dining room. A short hallway connects the living room and dining room. The lavatory is located off this hallway just before the kitchen.

Measuring 11 feet by 8 feet 6 inches, the kitchen is completely

modern and has an array of cupboards placed above and below the working counter arranged in U-style. The sink is located directly underneath the window in the center of the back wall; the stove is placed at the far left end of the working counter. This arrangement puts the stove near the refrigerator and makes the job of preparing meals that much easier.

There is a side door leading out into the back yard at the left of the stove. Thus you have direct access to the kitchen from the outside without going through the front of the house.

Located as it is on the right front corner of the house, the dining room brings you the benefit of a two-way view. The big, picture window in the front wall offers an excellent scenic background for the setting of your dining room table. The side windows bring more light into the room; provide cross ventilation during the summer months. The dining room measures 11 feet 4 inches by 10 feet.

Because so few families want to take the time or trouble to eat breakfast in the dining room, and today's modern kitchens have no space for the old family breakfast table, the breakfast nook is being included in more and more modern house plans. Located between the kitchen and the dining room, this breakfast nook is lighted by a window in the side wall.

FIRST TEST OF STATE AIR RAID SETUP PLANNED

Gettysburg, Jan. 31 (AP)—The first test of the state's air raid warning communications has been called for next week by the Civil Defense Commission.

Col. Alton C. Miller, commission director, said the test will be held on either Saturday, February 10, or Sunday, February 11.

The test, first since World War II, was termed "a war maneuver" by Miller in a directive to the commonwealth's 67 county defense coordinators.

"You are requested to go into this air raid warning test exercise as completely as your facilities and the degree of organized readiness will permit," the directive continued.

Either on both days

Air raid warning signals will be sounded sometime between 2 and 4 p.m. on either or both days.

The air raid warning stations of the 67 counties will receive the signals from 15 Pennsylvania key point warning centers. The county receptors will "fan out" the signal to civil defense forces in local communities.

The test will coincide with a test exercise scheduled by the U. S. Air Force to include the state's 624 ground observer posts. All posts will be manned between 9 a.m. and 6 p.m. on both days.

To mark the test warning, Miller said, three short, sharp, separate blasts will precede the red alert

signal.

"Public Must Be Taught"

The attack warning is a three-minute fluctuating signal on sirens, or a continuous three-minute period of short blasts on horns or whistles.

"If the red alert is part of a test exercise, it must be preceded by the test code signal," Miller's directive declared. "If the test signal is not sounded, the public must assume and must be taught to assume, that a real enemy attack is imminent."

The Defense Commission said participation in the drill by the general public will be left up to local communities.

At the same time the commission urged county coordinators to make the most of the opportunity for testing the effectiveness of their organizations and to keep the public informed of all actions to be taken.

Washington, Jan. 31 (AP)—Senator Duff (R-Pa.) has been appointed to the Senate small business committee, headed by Senator Sparkman (D-Ala.). He replaces Senate Democratic Leader McFarland of Arizona, who told Vice President Barkley he will not be able to continue on the committee.

Would Streamline State's Accounting

Harrisburg, Jan. 31 (AP)—New legislation streamlining the commonwealth's bookkeeping system would require a report to the public every three months on the state's financial condition.

Under present law, the public gets a financial report once every two years when the governor submits his budget message to the Legislature.

The new legislation, now before the Senate, was prepared by the Joint State Government Commission, the General Assembly's research agency. The bills were introduced by Sens. G. Craybill Diehm (R-Lancaster), and Henry J. Probert (R-Montgomery).

The legislation, result of a two-year study, would set up an entirely new department in the state government to coordinate all accounting matters. The new accounting section would be headed by an accountant general named by the governor and holding cabinet rank. He would be responsible for installing a single, uniform accounting system among all state agencies under the gov-

ernor's jurisdiction. At the present time, each department has its own accounting setup.

Says State Needs FEPC Law This Year

Pittsburgh, Jan. 31 (AP)—Publisher William Block, of the Pittsburgh Post-Gazette told members of the Urban League of Pittsburgh that Pennsylvania needs fair employment legislation this year.

Speaking at the group's 22nd annual meeting, Block said progress is being made against racial discrimination although progress is slow.

Persuasion and logic count in the fight against prejudice, Block said, but he declared a law with teeth in it is needed to open up job opportunities for negroes with the education and technique required for special skills.

The published cited the fact that in 1949 there were 617 employers in American cities who hired negroes for the first time. He said: "Despite the fact that hundreds of engineers are employed in Pittsburgh's major industries, too many negroes trained here in engineering must look elsewhere for job opportunities."

May Revise '51 Election Calendar

Harrisburg, Jan. 31 (AP)—Pennsylvania's 1951 election calendar will need a complete revision if a proposed new absentee voting law for servicemen goes on the books this year.

An absentee voting bill now before the Senate would move the 1951 primary up from September 11 to June 19.

The measure will have to get prompt attention by the General Assembly since it contains provisions to start primary election machinery rolling by March 10. This would be the first day to secure

signatures on nomination petitions. The measure, if enacted into law, also will advance by three months the hour of decision for political leaders to put candidates in the field for municipal jobs. The proposed law would advance from July 3 to March 20 the last day for the secretary of the commonwealth to transmit to county election boards list of qualified political parties.

Philadelphia, Jan. 31 (AP)—A Bucks county trucking firm operator has been indicted on charge of evading \$59,823 in income taxes for 1944 and 1945. The indictment was hand-

ed down on Monday by the grand jury against William H. States, of Croydon. Assistant U.S. Attorney N. Warren Benedetto told the jury States reported an income of \$3,152.67 and paid a tax of \$1,042.27 in Commandments.

1944 when his actual income was \$64,147.49 and the tax should have been \$37,206.42.

U. S. STEEL CAN PAY OWN WAY

New York, Jan. 31 (AP)—The nation's top steel producers expect to pay the costs of their huge projected expansion without borrowing money or selling more stock.

This was made clear today after United States Steel Corp., the "Big Steel" of the industry, and Bethlehem Steel, No. 2 producer, had reported record or near-record earnings for 1950.

U. S. Steel issued its report yesterday: Net income of \$215,337,655, highest since 1917 and exceeded only in 1916 and 1917. It was equal to \$7.28 a common share.

During 1950, U. S. Steel produced more steel than ever before and shipped a record 22,635,131 net tons of finished products, topping the previous high of 20,655,491 tons in 1948.

It has announced plans to increase its annual steelmaking capacity from 33,868,000 ingot tons as of January 1 to 36,400,000 tons by the end of 1952. These projects, including a new integrated mill on the Delaware river near Morrisville, Pa., on which construction will start in March, call

for an expenditure of \$678,000,000.

Irving S. Olds, U. S. Steel chairman, told a news conference Tuesday the corporation did not anticipate need for any outside financing. He said \$250,000,000 of U. S. government securities have been set aside for such expenditures and pointed to other sources of funds such as the \$144,000,000 charged to depreciation and depletion in 1950, and the excess of earnings over dividend payments in recent years.

This was made clear today after United States Steel Corp., the "Big Steel" of the industry, and Bethlehem Steel, No. 2 producer, had reported record or near-record earnings for 1950.

Fire Heroine Gets Offer Of Vacation

Miami, Fla., Jan. 31 (AP)—A Florida vacation has been offered to the Scranton, Pa., hotel maid credited with helping save nearly 100 lives in a fire last Sunday.

Betty Barbour, 22, who was acclaimed the heroine of the Earle hotel fire, was offered the trip yesterday by Forrest Cain, safety committee member for the greater Miami Hotel association.

The trip will include several days at a Miami hotel, sightseeing trips and presentation with a plaque or scroll.

The University of South Carolina's boxing coach, Jess Alderman, once was a contender for the world's featherweight championship.

ago and reported first to Fort Dix. After about a week there he was transferred to Denver where he is scheduled for 45 days service before being sent to another station.

His World War II crew chief, who has also been recalled to service and is stationed at Denver, arranged for a cabin there for the Hess family after he heard of the accident to the trailer. Both the car and trailer were demolished. Captain Hess told his mother in a phone call from Denver.

Prior to being recalled to service Captain Hess was employed at Letterkenny Ordnance Depot, Chambersburg.

Truman And Plevin Conclude Talks

Washington, Jan. 31 (AP)—President Truman and French Prime Minister Rene Plevin wound up their two-day talks with announcement late last night of a pledge to bar compromise with aggression by either Soviet Russia or Communist China.

A former communique said they agreed that "aggression must not be rewarded or the menace of aggression appeased." Authorized American officials said this ruled out any idea that France might join in a Korean settlement on Red China's terms or knuckle under to Soviet pressure for a "neutral" Germany.

The two leaders said at the same time they favored efforts to bring about an "honorable settlement" in Korea. They promised too that the United States and France would neglect no "genuine opportunity" to settle international disputes by negotiations.

Mr. Truman and Plevin ended their top level exchange of views late yesterday with a third session of nearly 90 minutes at the White House. Shortly before midnight they issued a communique which stressed that the U. S. and France saw eye to eye on major current problems of dealing with Communist aggression in Europe and Asia.

WORKMAN KILLED

Wilkes-Barre, Pa., Jan. 31 (AP)—Elmer Hilbert, 30, West Pittston, was killed yesterday at the Red Ash colliery. Hilbert, a motor runner, suffered fatal injuries when his motor collided with another operated by Stephen Shimko, Scranton. Shimko was taken to the Pittston State hospital in a serious condition from rib fractures and shock.

STATE REVENUE SEARCH GOES ON

Harrisburg, Jan. 31 (AP)—The search went on today for ways of raising \$120,000,000 in increased state revenue with most capital sources expecting that all existing "emergency" taxes, except the soft drink levy would be renewed by the 1951 General Assembly.

Republican legislative leaders indicated at a conference with Governor John S. Fine late yesterday that no conclusions have been reached as to the sources of new revenue Fine has said would be needed for the next two years.

Fine, himself, during his campaign for governor promised dropping of the soft drink levy first enacted as a temporary levy in 1947 and renewed by the 1949 Assembly. It imposes a tax of one cent on each 12 ounces of bottled soft drink and the same levy on each ounce of syrup used in soft drinks.

The other temporary taxes slated

for enactment for another two years include five mills on manufacturers; four per cent on corporate net incomes; two cents a gallon on gasoline making a total state levy of five cents; four cents on each pack of 20 cigarettes; six per cent on gross receipts of utilities; ten per cent on liquor sales and one-half cent on a pint of beer.

Some of the "emergency" taxes were first imposed during the Democratic Earle administration in 1935-38 and have been renewed each two years since with increased rates from time to time.

Lancaster, Pa., Jan. 31 (AP)—Cattle 1224, liberal run of fat steers were in active demand at steady prices, stockers and feeds are 50 cents higher for the week. Calves 218, bulk of sales \$23.75 to \$24. Hogs 143, all grades are steady. Sheep 44, no lambs on the market.
